

Officer in Charge

Certificate of Appreciation

Dr. Salima Dadani and the team at Silver Valet Dental Care, congratulations on behalf of the Burnaby RCMP detachment, as you mark this milestone anniversary. Fifteen years of making essential dental care available to our seniors in an accessible, dignified and supportive manner is an achievement worth celebrating.

The safety and well-being of seniors and elders in our community is a top priority, and as part of that overall approach they deserve to receive health care that is respectful and considerate of their unique needs. It is heartening to know services like the kind provided by Silver Valet Dental Care can meet those needs while offering comfort and individualized care. We are also immensely grateful to the health care workers, staff, and facilities working to care for seniors across our city every day – thank you all for your skill, dedication and compassion.

While your service extends beyond Burnaby's borders, we are proud to have such a specialized dental care provider working in our community. Thank for the work that you do, and congratulations on your 15-year anniversary.

A handwritten signature in blue ink, appearing to read 'Bill Parmar', is written over the printed name.

Bill Parmar, Chief Superintendant

Officer in Charge
