

THE CORPORATION OF THE
DISTRICT OF WEST VANCOUVER
OFFICE OF THE MAYOR

October 13, 2026

Dr. Salima Dadani
Silver Valet Dental Care

Dear Dr. Dadani,

It is my pleasure to congratulate Silver Valet Dental Care on 15 years of caring for our senior community.

Providing dental care is about more than just healthy teeth; it is about helping people maintain their comfort, confidence, dignity, and quality of life. For 15 years, Silver Valet Dental Care has gone above and beyond by bringing these important services directly to residents at Inglewood, Amica Lions Gate, Amica West Vancouver, and Hollyburn House.

I want to recognize the wonderful people behind this work. Your kindness, compassion, and dedication make a real difference in the lives of seniors and brings peace of mind to their families. I also want to acknowledge the staff at these care communities, whose partnerships help make this service possible.

Taking the time to care for others in such a personal and meaningful way is something truly worth celebrating. Thank you for the difference you have made in our community over the past 15 years.

Congratulations on this wonderful milestone, and I wish you continued success in the years ahead.

Warmest congratulations,

Mark Sager
Mayor
