Silver Valet Dental Care - 15th Anniversary Celebration

On behalf of Council and the residents of New Westminster, I am pleased to congratulate Silver Valet Dental Care on your 15th anniversary and recognize the dedicated staff and care teams who support seniors in the community.

For 15 years, Silver Valet Dental Care has helped make dental care more accessible by bringing services directly to seniors in long-term care homes and assisted living communities. Your work supports the health, comfort, and dignity of residents, including those at Kiwanis Care Centre, Buchanan Lodge - The Salvation Army, and Victoria Heights in New Westminster.

This milestone is also an opportunity to recognize the facility leaders, health-care professionals, and support staff whose compassion and commitment make a meaningful difference in the lives of seniors every day. Their collaborative efforts help ensure residents receive the care and support they deserve.

Congratulations on this important milestone, and thank you for your continued dedication to seniors in New Westminster and throughout the Lower Mainland. We wish you continued success in the years ahead.

Sincerely,

Patrick Johnstone
