Dear Silver Valet Dental Care team,

Congratulations on reaching the remarkable milestone of 15 years of service to our community! We recognize the important role your organization plays in providing dental care to individuals who face mobility challenges or complex health conditions that make visiting a traditional dental office difficult. Your commitment helps ensure patients can access the care they need in comfort and with dignity.

Thank you for building strong relationships with directors of care, facility administrators, and senior living managers throughout the Lower Mainland.

We especially appreciate your care of residents in Port Moody - Coquitlam; at Belvedere Care Centre, Cartier House, Foyer Maillard, Dufferin Care Centre, Hawthorne Care Community, Nicola Lodge, Shaughnessy Care Centre, and Eagle Ridge Manor.

Wishing you the very best for your 15th anniversary. May this be an opportunity for colleagues, partners, and community members to connect and reflect on the many ways they contribute to the well-being and flourishing of residents in our communities.

Thank you for your many years of service! Wishing you many more years of making a positive impact in the community!

Sincerely,

A blue ink signature of Zoë Royer, consisting of stylized, flowing letters.
